

IN THE YOUNG AND RISING GENERATION,
the vegetative power of life is strong, but in a few years
few after the period the lack of exercise and muscular effort,
and the impossibility of application to mental effort, show
the baneful influence. It is now becoming evident to the observer
that some depressing influence is checking the development
of the body.

It is the patient, the healthy, the robust, the energetic,
the healthy, with the body half clothed, the mind eagerly intent on
pursue. When excitement is finished, another in perspective
brings the mind morbidly sensitive and absolutely forbids the exercise
it is capable of. Exercise to night air, and body
cooling with exercise, produce their legitimate effect, and
the unfortunate feeling, regardless of the pains of distressing
suffering, becomes an unwilling subject to medical treatment. The
approach of the beautiful and wonderful period to woman, and in this
nature to show her away power in diffusing the circulation and
filling the cheeks with the bloom of health—is looked for in vain.
Consumption is talked of.

Also, increase of appetite has grown by what it fed on, the energies
of the system are prostrated, and the whole economy is deranged.
In reviewing the causes of these distressing complaints, it is most
painful to contemplate the attendant evils consequent upon them. It
is but simple justice to the subject to enumerate a few of the many
adverse effects which so largely affect the life, health and happiness
of all classes of society, and which, consequently, affect more or less
directly, the welfare of the entire human family, and at the same time
placing in their hands a remedy for the removal of the consequences.

HELMHOLD'S FLUID EXTRACT BUCHU, FOR WEAKNESS.

ARISING FROM EXCESSIVE OR IMPROPER EXERCISE, ARISING IN PRISON
OF BOTH SEXES AND AT EVERY PERIOD OF LIFE.

Attended with the following symptoms:
Indisposition to Exercise, Loss of Power, Loss of Memory, Diffi-
culty of Breathing, General Weakness, Horror of Disease, Weak-
ness, Trembling, Horror of Death, Night Sweats, Cold Feet, Weak-
ness, Dizziness, Languor, Universal Lassitude of the Muscu-
lar System, Obese Features, Appetite with Dyspeptic Symptoms,
Headaches, Flushing of the Face, Dryness of the Skin, Pale Com-
plexion and Emaciation on the Face, Pain in the Back, Headaches of the
Eyes, Frequently Black Spots Flying before the Eyes, with Gen-
eral Debility and Loss of Sight, Want of Attention, Great Melan-
choly, Restlessness with Horror of Society. Nothing is more desirable
to such patients than Solitude, and nothing they more dread for Fear
of themselves, no Repose of Manner, no Earnestness, no Speculation,
but a hurried Transition from one question to another.

These symptoms, if allowed to go on—which this Medicine invariably
removes—soon follow Loss of Power, Fatigue, and Epileptic Fits.
In all cases the patient may expect.

During the Superintendent of Dr. Wilson, at the Bloomingdale
Asylum, this result occurred to two patients; reason had for a
time left them, and both died of epilepsy.

Can you say that these excesses are not frequently followed by
these distressing diseases, INSANITY AND CONSUMPTION? The
records of the Asylum and the melancholy deaths by Consump-
tion, bear ample witness to the truth of these assertions. In Insane
Asylums the most melancholy exhibition appears. The countenance
is actually sallow and quite destitute—either Mark or Chief over
white. It should be noted of the voice, it is rarely articulate.

"With weak nervous system."
Let us witness the effect of this Medicine.

While we regret the existence of the above diseases and symptoms,
we are prepared to offer an invaluable gift of chemistry for the re-
moval of the consequences—

from these sources.

PHYSICIANS, PLEASE NOTICE:

We make no secret of the ingredients. HELMHOLD'S FLUID
EXTRACT BUCHU is composed of Buchu, Cane Sugar and Juniper
Berries, selected with great care and prepared in vacuum by H. T.
HELMHOLD, Druggist and Chemist of sixteen years' experience in the
City of Philadelphia, and which is now prescribed by the most
eminent physicians, has been admitted to use in the United States
Sanitary Commission, and is now in use in State Hospitals and public
sanitary institutions throughout the land.

Dr. KUTNER is a physician of over twenty years' experience, and a
graduate of the Jefferson Medical College and of the University of
Medicine and Surgery of Philadelphia.

Mr. H. T. HELMHOLD—Dear Sir: In regard to the question asked
me as to my opinion about Buchu, I would say that I have used and
sold the article in various forms for the past thirty years. I do not
think there is any form of preparation of it I have not used or known
to be used. In the various diseases where such medicine agent would be
indicated. You are aware, as well as myself, that it has been ex-
tensively employed in the various diseases of the bladder and kid-
neys, and its reputation is well acquired in my judgment is warranted
by the facts.

I have seen, and used, as before stated, every form of Buchu—
powdered leaves, the simple decoction, the fluid extract—and I
am not conscious of any preparation of that which is all equal to
yours. Twenty years' experience ought, I think, to give me the
right to judge of the merits of the various forms of Buchu, and I
have ever been cured with any other Buchu, or any other propri-
etary compound of whatever name.

Respectfully yours,
GEO. H. KRYER, M.D.

FROM WASHINGTON.

OUR SPECIAL DISPATCHES.

Facts and Rumors at the Capitol.

Fresh Exhibitions of the President's Policy.

PROCEEDINGS OF CONGRESS.

Consideration of Pension Bills by the Senate.

SETTLEMENT OF A CONTESTED ELECTION.

THE EQUALIZATION OF SOLDIERS' BOUNTIES.

Debates on the Tax Bill.

WASHINGTON, Friday, May 18, 1866.

The Johnson policy of getting control of the United
States Senate by blocking the election of Senators by
Republican State Legislatures, as successfully initiated in
New Jersey, and villainously imitated in
Connecticut, is set down in the Copperhead programme
here for repetition in New-Hampshire and in Vermont.
This intelligence may surprise and shock the moral senti-
ment of the people of those two New-England States,
but the voters of both may rest assured that it has been
fully determined in the Johnson councils here
to endeavor to apply to the Republican majorities in the
Senates of New-Hampshire and Vermont the same cor-
rupting influences to effect the election of supporters of
the President, and to defeat or suspend in default of men
as radically and trustworthily Republican as are Daniel
Clark and Justin S. Morrill, that have availed in New-
Jersey.

The President to-day removed E. L. Pierce, Collector of
Internal Revenue at Boston, a well known anti-Slavery
man, and nominated a Washington clerk.

POST-OFFICE DEPARTMENT CLERKS.
Out of 160 clerks in the Post Office Department, there
are 40 Union soldiers, and no Rebels since the passage of
the Congressional resolutions upon the subject. Gov.
Demmon has appointed none but those who have served
in the Union army.

HOUSE BUSINESS.
The House bill to-day. The tobacco tax was not
reached, as was anticipated, and may not now be reached
before late on Monday afternoon.

A FEMALE DISLOYALIST IN OFFICE.
The House bill to-day. The tobacco tax was not
reached, as was anticipated, and may not now be reached
before late on Monday afternoon.

CUSTOMS RECEIPTS.
The receipts from customs from the four principal ports
of the United States, for the week ending on the 17th
inst., were as follows: New-York, \$2,415,456 60; Phila-
delphia, \$187,243 39; Baltimore, \$28,486 97; Boston,
\$477,38 16.

MAKING TREASON OBVIOUS.
During the discussion at the Alexandria Convention to-
day, it was authoritatively stated that Mr. Godwin,
recently appointed Naval Officer for the port of Norfolk,
held a clerkship in Washington before the war, which he
resigned to go to Richmond, and served 18 months in the
Rebel army. The incident was recited to illustrate that,
while Congress is striving to make treason a crime, the
President, contrary to all his antecedents, is pardoning the
act of rebellion as a very respectable, but injudicious un-
dertaking.

MUSTERING OUT.
It is rumored that the Secretary of War, upon Gen.
Grant's suggestion, will soon issue an order for the muster
out of all the white volunteer organizations now in ser-
vice.

REPORTS RECEIVED BY GEN. HOWARD from all parts of the
South represent that, notwithstanding the many imperi-
ments in the road of the freedmen, they are getting along
well, and are conducting themselves in a manner to meet
the approval of even their bitterest enemies.

SCOTCH AGAIN.
This being Cabinet day very few were admitted to the
White House, but among the favored few to whom the
doors were open was James M. Scofield, who is here to
bury up some of his appointments previously asked for,
and also to demand more.

THE LOTTERY BUSINESS.
The Committee of Ways and Means, having broken up
the monopoly in the lottery business, propose to impose a
tax of at least ten per cent on this traffic. The Treasury
Department, in order to examine into the frauds alleged
to have been practiced in Ben Wood's Kentucky lotteries,
have sent an agent to New-York to make thorough investi-
gation of them.

GEN. GRANT'S LETTER
urging speedy action by Congress in the passage of
the bill for an increase of the Army, was favorably con-
sidered in the House Military Committee to-day.

CORRUPTION.
The types this morning made the interview of the Colo-
rado Senators and the President take place on Sunday
evening; it should have been on Tuesday evening.

APPOINTMENT.
Robert P. Walker of Pennsylvania, has been con-
firmed Paymaster in the Regular Army, vice Whitehall,
deceased.

FRENCHMEN AT ANNAPOLIS.
The French practice-ship Jean Bart, is now at Annapolis,
with over a hundred midshipmen, who are there to
witness the annual exercises of our naval cadets.

To the Associated Press. WASHINGTON, Friday, May 18, 1866.
BILLS APPROVED.
The President has approved the bill to authorize the
coinage of five-cent pieces, composed of copper and nickel.
This coin is to be a legal tender in any payment to the
amount of one dollar. There are to be no new issues of
the coin of a less denomination than ten cents.

The President has also approved the bill providing that
on and after the 10th inst. there shall be levied, collected
and paid on all horses, mules, cattle, sheep, hogs, and
other live animals imported from foreign countries, a duty
of five per cent ad valorem; provided that any such ani-
mals now bona fide owned by resident citizens of the
United States, and now in any of the provinces of British
America, may be imported into the United States free of
duty.

The President has also approved the bill to allow to the
Vice-Admiral a Secretary with the rank and salary and
allowances of a Lieutenant in the Navy.

The President has also approved the joint resolution
sending a greeting to the Emperor of Prussia and con-
gratulating him on his escape from the hands of an assassin.

The President has also approved the joint resolution
relative to the United States Courts and Post-Offices in
the City of New-York. It provides that the Mayor and
Postmaster of the City of New-York, the District Attorney
for the United States at New-York City, the President of
the Chamber of Commerce of the State of New-York, and
Jackson S. Schmitt, Charles H. Russell and Moses Taylor,
of New-York City, be appointed a commission to select a
new site for the United States Courts in the City of New-
York, and that the Commission report to the Postmaster-General and the Secretary of
the Interior, at their earliest convenience, the selection upon
which they or a majority of them may agree, and the price
at which such site can be purchased by the Government
for the purposes contemplated in this resolution. If a
new site should be selected and if said report shall meet
the approval of the Postmaster-General and the Secretary
of the Interior, they shall communicate the same with
such additional suggestions as they may think proper to
Congress.

The President has recognized Moritz Van Baumbach as

Consul for Saxony, in Milwaukee; and Antonio Maria de
Zea as Consul of Spain at Portland, Maine.

Amenham, vice Joseph E. Marks, resigned; Hiram W. Hall
of Leroy, N. Y., Collector of Internal Revenue for the
Twenty-third District of New-York, vice J. May.

pointments for gallant and meritorious services, among
them the following:

The Senate also confirmed about 75 captains to be

brevet, and 50 majors to be lieutenant-colonels by
brevet; also, a number of captains and first lieutenants
by brevet.

A number of ex-volunteer soldiers, some of whom had
served as lieutenant-colonels, majors and captains, were
confirmed as second lieutenants in the regular service.

THAT SERENADE.
The time has not yet been fixed for the serenade to
President Johnson and the members of his Cabinet by
the National Union Club, which was postponed from last
night.

LOWER CALIFORNIA.
As the contract concerning the colonization of Lower
California seems to be misunderstood, it may be of inter-
est to state from official data that the contract, in the
indorsement of the local authorities, made a contract with
the Mexican Government for the colonization of some
parts of Lower California. He was to receive the
land, and the Mexican Government was to receive the
money in part payment, which it was agreed should be
paid at San Francisco. This was afterwards changed so
that the money should be paid at New-York, and it was
actually paid to Minister Romero. The Mexican Govern-
ment, however, has not yet vacated, but not the
sovereignty of the country. The provisions of the con-
tract are besides very advantageous to Mexico.

ISSUE OF BONDS.
The Secretary of the Treasury has issued to the Union
Pacific Railroad Company, \$300,000 of six per cent
bonds, being the amount due on the last section of
23 miles, which was accepted by the United States Com-
missioners last month. The road is now completed for 70
miles past the Kansas River from the Missouri border to
a point 380 miles west of St. Louis. The road will be
open to Fort Riley, 420 miles from St. Louis, on the 15th
of July.

SANTA ANITA.
Gen. Santa Anita's professions of adherence to the
Liberal cause are believed by the friends of President
Juarez in this city to be solely in the interest of the
French, who, they say, are seeking to get up some com-
bination by which the French might be able to get into
New Government, apparently Mexican, shall be made to
appear, with which a treaty of peace can be concluded,
recognizing the claims put forward by France, and the
Colonel Juarez, under the order, shall be able to get into
these plans are fully known by President Juarez and the
Liberal leaders in Mexico.

MR. DOWNING'S VIEWS.
George T. Downing, President of the Colored Delegation
at Washington, has been called to go to his friends in
Congress against the report of the Committee on Recon-
struction passed by the House on the 10th inst., and to be
considered next week by the Senate. He says this report
falls heavily on the hopes of the colored man, disappoints
the expectations of his friends, and altogether falls short of
what the best interests of our country demand. Among
other things, it is remarked that there is scarcely a mem-
ber of the House who voted in favor of the proposition
that the colored man should be admitted to the rights of
citizenship, but in accordance with the spirit of the Constitution
and the principles on which the Government is based, the
right of every citizen without regard to complexion to have a
voice in the representation, with every other citizen, is
undoubtedly correct, and that there is nothing in the
constitution which forbids Congress securing this right to every
citizen.
